The Famous Rayo

Does Not Strain the Eyes

Don't use a small, concentrated light over one shoulder. It puts as unseed strain on your eyes. Use a diffused, so mellow light that connet files a that even izes the work of the eyes, such as the light and to do the best light, and it does.

It has a strong durable shade holde that is held firm and true. A new burne gives added strength. Made of solle brass and finished in nickel. Basy to keep polished. The Rayo is lew priced but no other lamp gives a better light a any price.
